

A golden statue of a knight on a horse, with a shield featuring the letters 'UCF'. The statue is set against a bright yellow background. The knight is wearing a helmet and armor, and the horse is in a rearing position. The shield is prominently displayed on the knight's chest.

Pegasus Path

An interactive degree planning tool

Pegasus Path

Pegasus Path is a tool that will help students map out their academics from orientation to graduation. This tool integrates with a student's myKnight Audit to suggest courses in their academic plan so they can graduate within four years.

Advisors can view and change students' plans in Pegasus Path, and will be able to leave important messages regarding their progress.

Access the tool

To access the tool, log in to myUCF and navigate to Staff Applications > Campus Solutions.

Pegasus Path is located under Main Menu > Academic Advisement > Smart Planner.

Enter the student's information to access their current degree plan.

Advisors can make changes to a student's plan in test mode or live mode (visible to students).

Favorites ▾ | Main Menu ▾ > Academic Advisement ▾ > Smart Planner ▾ > Student Planner

Spring 2019 ▼	12	01/07/2019	04/30/2019	+	-

Below you will find course work based on the remaining requirements for your major(s) and minor(s).

[What is a Lock?](#)

Please note that not all plans may be available at this time.

Arrange My Plan

Courses and experiences can be dragged and dropped between different semesters.

If a certain combination registers as a “challenge course combination,” a popup will appear with a warning:

csprod-staff.net.ucf.edu says

Moving this requirement to a later term may result in the delay of progression towards your degree.

OK

Use drag-and-drop to adjust your plan. Or with the keyboard, use Tab to select a line and arrow keys to move it to a different term.

OK

CANCEL

Unassigned Requirements (unassigned units: 0)

Fall 2018 (planned units: 14, target units: 14)

CHM 2041	Selected: CHM 2041	UNITS: 3
BSC 2011C - Biology II	Selected: BSC 2011C	UNITS: 4 PREREQ, CRITICAL
CHM 2046 - Chemistry Fundamentals II	Selected: CHM 2046	UNITS: 3 PREREQ, CRITICAL
Physics I PHY2053C or PHY2048C		UNITS: 4 PREREQ
Research specific post-graduate jobs, graduate schools, or professional schools and application process/deadlines		
Request a Junior check with your COSAS advisor to make sure you are ready for your final year.		
Meet your department advisor for your major to plan out final year and discuss post-graduate plans.		
Begin application process for jobs, graduate or professional schools.		

Once the plan has been arranged, you will be taken back to the first page with the changes reflected in Pegasus Path.

This is also where students can access important notes about their courses and read advisor messages.

Fall 2018

Planned Units 13.00 Target Units 13.00

Advisor

This leads to a popup message that tells the student to contact their advisor to pick a course for that specific requirement.

Advisor Messages

When you click on the Advisor Messages icon, you will be taken to a separate page that allows you to write a message to the student.

The screenshot displays the UCF Student Planner interface. At the top, a yellow navigation bar contains the following items: Favorites (with a dropdown arrow), Main Menu (with a dropdown arrow), Academic Advisement (with a dropdown arrow), Smart Planner (with a dropdown arrow), and Student Planner. Below this is a black header bar with the UCF logo on the left and links for CSPROD, myUCF, Home, and Worklist on the right. The main content area is titled "Advisor Message" in blue. Below the title is a label "Message to student:" followed by a large, empty text input field. Underneath the input field is the label "Regarding this requirement:" followed by the text "Track Restricted Elective 6: Choose from Lab Section A or B (This meets the second lab and one of "restricted" or "add'l bio" elective depending on choice).". At the bottom of the form are two buttons: "OK" and "Cancel".

Below you will find course work based on the remaining requirements for your major(s) and minor(s).

Overview

These graphs display the student's progress by major/minor units and requirements are shown here.

Below that is a numerical breakdown.

The graphs and chart(s) below are helpful snapshots in determining your progress toward your degree. The graph on the left is a visual display of the percentage of units you have completed, units in progress, and units still left in your planner. The graph to the right displays a breakdown of units by requirement type for your degree. If you have multiple undergraduate majors/minors, the graphs display the sum of these plans. The degree breakdown chart(s) located under each major/minor description, show you a plan specific breakdown of units by requirement type for an individual major or minor. Click CONTINUE to see your current suggested path to graduation.

Refresh Suggestions

Refreshing suggestions will restore the default plan, repopulating the general requirements.

Locked requirements will not be affected. This can be changed by clicking “clear locks.”

Message

Refresh Suggestions will update your plan based on your current academic situation (completed and in-progress coursework, requirements for your major, semester/credit preferences). It will assign requirements to each term, up to the number of units specified in your Preferences. Locked requirements will remain in their current term. Unlocked requirements may be moved to different terms.
